

Delivering Knowledge to
Cleaning Professionals

2017-18 COURSE CATALOG

Advance your career with ISSA Cleaning Management Institute (CMI)!

CMI Certification is a Nationally Recognized Training & Industry Certification, that allows you to stay competitive and successful in the cleaning industry. Classes are taught at SouthEast Link's Cleaner University and are rotated throughout the year.

Through classroom and hands-on training, CMI classes will educate your staff on ISSA approved up-to-date cleaning methods to promote a clean and safe environment.
